Interactive / short / 6

query	Interactive / short / 6																													
title	Forum of a message																													
pattern																														
desc.	Given a Message, retrieve the Forum that contains it and the Person that moderates that Forum. Since Comments are not directly contained in Forums, for Comments, return the Forum containing the original Post in the thread which the Comment is replying to.																													
params	<table><tr><td>1</td><td>Message.id</td><td>ID</td><td>messageId</td></tr></table>					1	Message.id	ID	messageId																					
1	Message.id	ID	messageId
